

Thank you for your enquiry, and welcome to Territory Guided Fishing.

Please find following our one day and extended tour itinerary and information sheet.

If you require any further information please call us on the numbers below

One Day Tours

Availability May to Nov predominantly (all year round)

Price \$300.00 per person

Destination All destinations are approx within 100kms from Darwin CBD. The location will depend on the time of year and the fishing condition. We go where the fishing is best. Predominantly we fish Corroboree Billabong for Barramundi and The Vernon Islands for sport fishing during the dry season

Target Species Barramundi along with other species including saratoga, tarpon, black jewfish, threadfin salmon, golden snapper, trevally, queenfish and more.

A one day tour involves

- Pick up from your local accommodation (approx 5am) transfer via air conditioned, licensed tour vehicle to you fishing destination.
- A breakfast stop is available along the way.
- Morning tea, lunch and light refreshments supplied
- 6.4 m barra boat, fast, modern fishing platform.
- Experienced guided fishing, with quality Fishing tackle, supplied on a replace if lost or damaged basis
- 30 + sunscreen
- After a great day on the water you are transferred back to your accommodation by approx 5pm.
-

Exclusions

- Alcohol (BYO is allowed)
- Insect repellent
-

What to Bring

- Wide brimmed hat
- Sunglasses
- Insect repellent
- Cool protective clothing
- Camera / video (don't forget batteries)
-

Suitable For

- All levels of experience, minimum age of 7 yrs (unless pre arranged)

Extended Tours

Availability Feb – Nov predominantly (available year round). The run off having a worldwide reputation for excellent barramundi fishing from Feb to end of May is the most popular with the keen fishing enthusiast; we recommend you book early for this period

Price \$600.00 per person

Destination The location will depend on the time of year and the fishing condition. We go where the fishing is best. During the months of February through to May we predominantly fish the Mary River System, Shady Camp and The Daly and Finis Rivers

Target Species barramundi, saratoga, tarpon, black jewfish, threadfin salmon, golden snapper, trevally, queenfish and more.
